

# PRODUCT DATASHEET ST CLAS A 60 9 W/2700 K E27

LED CLASSIC A MOTION & DAYLIGHT SENSOR | Special lamps with motion sensor and integrated daylight sensor, classic bulb shape

#### Areas of application

- Staircases, corridor, basement, entrance
- Lamp needs to be turned on only when motion is detected and ambient is dark
- Outdoor use in suitable outdoor luminaires only

#### **Product benefits**

- Short payback period thanks to low energy consumption and maintenance costs
- Energy-saving lighting solution thanks to automatic switch off at daylight
- Automatic light switch off 30 seconds after the last motion detection
- Illumination threshold for automatic switching: 20 lx
- Lower energy consumption than incandescent or halogen lamps
- Easy replacement of classic lamps thanks to compact design
- Instant 100 % light, no warm-up time

#### **Product features**

- LED alternative to conventional lamps
- High color consistency: ≤ 6 SDCM
- Mercury-free lamps
- Detection range up to 3 meter and 90°
- Integrated microwave sensor can detect fine movement also through plastic and glass fixtures

## TECHNICAL DATA

## Electrical data

| Nominal wattage                        | 9 W      |
|----------------------------------------|----------|
| Construction wattage                   | 9.00 W   |
| Nominal voltage                        | 220240 V |
| Claimed equiv. conventional lamp power | 60 W     |
| Nominal current                        | 70 mA    |
| Type of current                        | AC       |
| Inrush current                         | 3.12 A   |
| Operating frequency                    | 5060 Hz  |
| Mains frequency                        | 5060 Hz  |
| Max. lamp number on MCB B10 A          | 250      |
| Max. lamp number on MCB B16 A          | 400      |
| Power factor λ                         | > 0.50   |

#### Photometrical data

| Luminous flux                           | 806 lm     |
|-----------------------------------------|------------|
| Nominal useful luminous flux 90°        | 806 lm     |
| Luminous efficacy                       | 89 lm/W    |
| Lumen main.fact.at end of nom.life time | 0.70       |
| Light color (designation)               | Warm White |
| Color temperature                       | 2700 K     |
| Color rendering index Ra                | ≥80        |
| Light color                             | 827        |
| Standard deviation of color matching    | ≤6 sdcm    |
| Rated LLMF at 6,000 h                   | 0.80       |

# Light technical data

| Beam angle          | 200 °    |
|---------------------|----------|
| Warm-up time (60 %) | < 0.50 s |
| Starting time       | < 0.5 s  |

# Dimensions & Weight

| Overall length   | 120.00 mm |
|------------------|-----------|
| Diameter         | 60.00 mm  |
| Maximum diameter | 60 mm     |
| Product weight   | 43.00 g   |

# Temperatures & operating conditions

| Ambient temperature range            | -20+40 °C |
|--------------------------------------|-----------|
| Maximum temperature at tc test point | 80 °C     |

# Lifespan

| Number of switching cycles                   | 100000 |
|----------------------------------------------|--------|
| Lumen maintenance at end of service lifetime | 0.70   |
| Rated lamp survival factor at 6,000 h        | ≥ 0.90 |

# Additional product data

| Base (standard designation) | E27                                                                                                                                                                                                                                                                                                                                          |  |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Mercury content             | 0.0 mg                                                                                                                                                                                                                                                                                                                                       |  |
| Mercury-free                | Yes                                                                                                                                                                                                                                                                                                                                          |  |
| Design / version            | Frosted                                                                                                                                                                                                                                                                                                                                      |  |
| Product remark              | All technical parameters apply to the entire lamp / Due to the complex production process for light-emitting diodes, the typical values shown for the technical LED parameters are purely statistical values that do not necessarily match the actual technical parameters of each individual product, which can vary from the typical value |  |

| Length                                              | 120.00 mm    |
| Height                                              | 60.00 mm     |
| Width                                               | 60.00 mm     |
| EPREL ID                                            | 1403227      |
| Model number                                        | AC24712      |

#### Safety advice

- Do not touch the lamp if broken.
- Must not be used if outer bulb is defective.

#### LOGISTICAL DATA

| Product code  | Packaging unit (Pieces/Unit) | Dimensions (length x width x height) | Gross weight | Volume               |
|---------------|------------------------------|--------------------------------------|--------------|----------------------|
| 4058075809277 | Blister<br>1                 | 61 mm x 140 mm x 120 mm              | 66.00 g      | 1.02 dm <sup>3</sup> |
| 4058075810709 | Shipping box<br>6            | 381 mm x 153 mm x 136 mm             | 515.00 g     | 7.93 dm <sup>3</sup> |

The mentioned product code describes the smallest quantity unit which can be ordered. One shipping unit can contain one or more single products. When placing an order, for the quantity please enter single or multiples of a shipping unit.
