

# PRODUCT DATASHEET

## Essential Orbis 300mm 18W 830 Black

Essential Orbis | LED ceiling luminaire with plastic ring

---

### Areas of application

- Living areas (living rooms, dining rooms, bedrooms etc.)

---

### Product benefits

- Long lifetime thanks to LED technology
- Excellent price/performance ratio
- Easy mounting

---

### Product features

- Ceiling luminaire with advanced LED technology
- Color temperature: 3,000 K
- Lifetime up to 30,000 h
- Type of protection: IP20

TECHNICAL DATA

Electrical data

|                                                             |               |
|-------------------------------------------------------------|---------------|
| Nominal wattage                                             | 18.00 W       |
| Nominal voltage                                             | 220...240 V   |
| Mains frequency                                             | 50...60 Hz    |
| Nominal current                                             | 165.000 mA    |
| Inrush current                                              | 0.825 A       |
| Inrush current time T <sub>h50</sub>                        | 142 µs        |
| Max. number of luminaires per miniature circuit breaker B16 | 58            |
| Max. number of luminaires per miniature circuit breaker C10 | 60            |
| Max. number of luminaires per miniature circuit breaker C16 | 96            |
| Power factor λ                                              | > 0.5         |
| Total harmonic distortion                                   | 63.10 %       |
| Protection class                                            | II            |
| Operating mode                                              | Mains voltage |

Photometrical data

|                                                |                    |
|------------------------------------------------|--------------------|
| Luminous flux                                  | 1600 lm            |
| Total luminous flux of contained light sources | 2000               |
| Luminous efficacy                              | 89 lm/W            |
| Color temperature                              | 3000 K             |
| Light color (designation)                      | Warm White         |
| Color rendering index Ra                       | 80                 |
| Standard deviation of color matching           | 6 sdc <sub>m</sub> |
| Flickering metric (Pst LM)                     | <1                 |
| Stroboscope effect metric (SVM)                | <0.5               |
| Photobiological safety group acc. to EN62778   | RG0                |
| Beam angle                                     | 115 °              |

Dimensions & Weight

|                |           |
|----------------|-----------|
| Diameter       | 300.00 mm |
| Height         | 25.00 mm  |
| Product weight | 650.00 g  |

ORBIS ESS 300MM 18W 830

Materials & Colors

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Product color                              | Black                                 |
| Housing color                              | Black                                 |
| Body material                              | Acrylonitrile butadiene styrene (ABS) |
| Cover material                             | Polystyrene (PS)                      |
| Glow Wire Test according to IEC 60695-2-12 | 650 °C                                |
| Mercury content                            | 0.0 mg                                |

Application & Mounting

|                                        |                         |
|----------------------------------------|-------------------------|
| Ambient temperature range              | -20...40 °C             |
| Temperature range at storage           | -20...+80 °C            |
| Type of connection                     | Terminal, 2-Pole (L, N) |
| Type of protection                     | IP20                    |
| Protection class IK (shock resistance) | IK03                    |
| Dimmable                               | No                      |
| Mounting type                          | Surface                 |
| Mounting location                      | Wall                    |
| With light source                      | Yes                     |
| Replaceable light source               | No                      |

Lifespan

|                            |                       |
|----------------------------|-----------------------|
| Lifespan L70/B50 at 25 °C  | 30000 h <sup>1)</sup> |
| Number of switching cycles | 15000                 |

1) t[h]: L70 / B50 @ 25 °C (Ta), t[h]: L80 / B10 @ 25 °C (Ta), t[h]: L90 / B10 @ 25 °C (Ta)

Emergency lighting

|                                  |      |
|----------------------------------|------|
| Type of emergency operation test | None |
|----------------------------------|------|

### Certificates & Standards

|                                                      |                 |
|------------------------------------------------------|-----------------|
| Standards                                            | CE / UKCA       |
| Luminaire with limited surface temperature, "D sign" | No              |
| Ball shot safe                                       | No              |
| Replaceable light source (EPREL)                     | Not replaceable |

### Additional product data

|                |                               |
|----------------|-------------------------------|
| Product remark | Available from September 2025 |
|----------------|-------------------------------|

### EQUIPMENT / ACCESSORIES

- Mounting screws and dowels included

### Safety advice

- Luminaire must be disconnected from mains during installation, maintenance and cover removal
- Check wall-ceiling for suitability. If uncertain, seek professional advice.
- All electrical connections must be made by a qualified person.
- Caution, risk of electric shock.

### DOWNLOAD DATA
